Dear Parent/carer

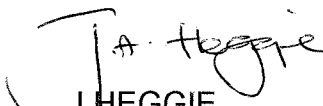

Guidelines on 1st aid are continually being updated and following recent advice given during training we will no longer be applying ice to bumped heads. We will however be using a new style accident slip which will detail any injury you child receives in school.

When a child bumps their head we would like to follow up the accident slip with a text message as we know how paper doesn't always reach home despite the children's best efforts. In order for this to happen we would like parents to register with parent mail and would be grateful you could ensure that you are registered as soon as possible.

If you require the link for parentmail please call the office and we can forward this to you.

Thank you for your assistance in this matter.

Yours sincerely

J HEGGIE
Head teacher
